

## Activities and Affiliations—William J. Morgan

My wife and I moved to North Carolina in May 2015, after living in Connecticut since 1980.

We worked in NYC, a majority of that time, for apparel and uniform companies.

I started my own business, Morgan Associates, in 1986 as a sales consultant and manufacturer of all types of tailored uniform apparel. My clients were both apparel manufacturing companies and direct sale accounts, ranging from Hotels, LV & CT. Casinos, Int'l Cruise Lines and Walt Disney World. I am semi-retired and I have been fortunate to retain the Walt Disney acct. for over these past 35 + years.

- President of Board of Governors- Silvermine Golf Club- Connecticut, for 4 years
- Served on HOA for 2 years and then President of HOA in Norwalk, CT. for 5 years
- St. Xavier High School and Xavier University- Alumni Associations- recruiting
- Member of The Peninsula Club in NC for 4 years.
- Elected to Board of Directors at the Club, after serving on membership committee for 2 years
- Active member of St. Matthew Church in Connecticut involved in fund raising and Eucharistic ministering

While we have only been in NC for a few years, we are active members of the Blumenthal Performing Arts, taking in as many

plays as possible, year after year, as well as enjoying The Davidson Players.

It is our goal to find the path that satisfies our desire to become more involved in this community, which we have grown to love and use our talents to benefit the Cain Center.

I have enjoyed a successful career in sales which I would like to put to work and grow the community involvement in the Cain Center.

I believe I can be of service to the Cain Center for the Arts by assisting in fundraising while marketing the arts products to an audience that has not realized what art can do for their souls.
