**Advance Priority Ticketing:** Donors will be given the opportunity to purchase performance tickets before they go on sale to the general public. Tickets are not discounted, however, the advance purchase period allows these donors to request the best available seats. Advance Priority Ticketing requests will be fulfilled based on a priority that reflects capital and annual donor giving levels and history.

**VIP Concierge Services:** Donors will be provided exclusive access to a Cain Center representative who will be available to assist patrons receiving this benefit with a variety of performance needs, including the purchase of last-minute performance seats held exclusively for donors up to 48 hours before performance time.
